

WZC Damiaan

Tremelo (Belgium)

WZC Damiaan in Tremelo is a contemporary nursing home providing accommodation for 460 residents.

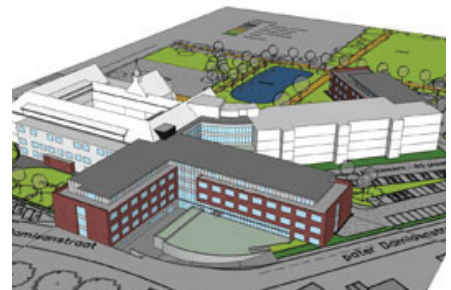

A new construction project was started in August 2009. The first part was opened in February 2011. The second phase was finished in the autumn of 2012. The project aims at complying with the most recent legislation and offering maximum comfort to all current and future residents. Haelvoet is a proud partner in this project.
