

Moro Table

Moro is a carefully designed range of tables combining hominess with stability. This table is very convenient for wheelchair users, thanks to the absence of side slats under the tabletop.

Support

- 4 round legs (Ø 55 mm).
- In solid beech with a chrome accent.
- Each leg is screwed to the tabletop by means of a firm steel fastening element.
- The wooden parts are finished with a coat of varnish.
- The metal fastening elements are protected by an epoxy-coating.
- The legs are equipped with synthetic glides.

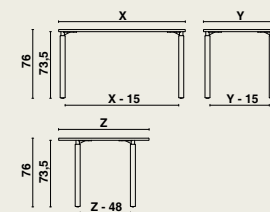

Tabletop

- Made of a double-sided stratified chipboard of 20 mm.
- The top layer is finished with HPL.
- The corners are rounded.
- The table edges are finished in accordance with the choice of the tabletop.

Dimensions

- 05041 | Moro table

- 05200 | Moro coffee table

X (cm)	Y (cm)	Z (cm)
50 - 160 (*240)	50 - 100 (*120)	Ø 60 - Ø 120
